

# Disc Golf

Saturday, October 12

Carpool leaving from Cypress Civic Center at 8:40 am (after tennis).

El Dorado Park.

We will play a modified scramble format—initially all the people on the team throw their disc. The team picks the best throw and the remaining people on the team throw from that location. Once a player's throw has been used, that player does not throw again until everyone's throw on the team has been used. I am planning 3 people on a team.

RSVP to Don Likens at [don1likens@aol.com](mailto:don1likens@aol.com) and answer the following questions.

Do you have a Frisbee or disc?

What is your skill level?

- Haven't thrown a Frisbee.
- Have thrown a Frisbee.
- Am good with Frisbee.
- Have played disc golf but normally score over a 6 on a hole.
- Have played disc golf and normally score under 6 on a hole.
- Are good at disc golf (normally par or better)

The club will supply the prizes for the first place team.
