() Number of weeks with highest total points earned; it is used to determine quarterly prizes. 0.25 is awarded to a player if he/she is one of the four players that earned the same highest total points for the week, and 0.5 is awarded to a player if two players (man, woman, or both) earned the same highest total points for the week. If a player (man or woman) is the sole point leader of the week, then she/he earns one point.
