

# CTCSC Trivia Night via Zoom

Love trivia quizzes? Well, here's your chance to shine.

Date and time:  
June 6 at 6 p.m.

Teams:

We will have 5 teams of 2 people. A household can register as a team. We will randomly pair the other individuals who register, and teams will be notified in advance of the event. **We will take the first ten people who respond and several alternates** (we know you'll commit to the event, but even in quarantine, things come up).

Register: [Liz@lizparker.net](mailto:Liz@lizparker.net)

Format:

Questions will be asked using a random trivia generator. There are six categories: Arts, General, History, Science, Entertainment, Geography. Each team will have 30 seconds to discuss between themselves before they answer. All teams will be asked questions in the same category and then we move on to the next category.

Scoring:

The team who answers correctly in the most categories wins.

Prizes:

Prizes will be awarded depending on the final outcome.

**CAVEAT:** Those of you who have done Zoom, know it doesn't always go smoothly. We want to minimize the confusion. So to that end, **we ask that participants who have not used Zoom, join in a practice Zoom** to make sure you can get on and have video and audio. Time and Date TBD.
